Arredo d'immagine e professionalità. Elementi lineari, linee arrotondate, dettagli ad alta valenza formale e inediti accostamenti di materiali; come un biglietto da visita dell'azienda, i banchi reception sono il primo luogo di contatto con il pubblico e l'esterno.

Furnishing with image and professionalism. Linear elements, rounded lines, details of high formal valence and unusual combinations of materials; just as a business card, the reception is the first point of contact with the public and the outside world.
